

Rediscover Family - Questions for Reflection

1. What are the best things about being with family, and how can I enrich our time together?
2. What are the most challenging things about being with family, and how will I choose to handle them?
3. What family activities and what special family members do my children enjoy most, and how can these connections and experiences be enriched?
4. What friends feel like family, and what can I do to develop that bond?

Discussing this with my children, what have I learned from their insights and ideas?
